Rules of Engagement

Eligibility and Participation

All AOBC Playing Members are eligible to participate. Participation commences on the Wednesday following the Club's Annual Presentation Luncheon, the official First Day, and continues on each and every Wednesday until the Wednesday immediately before the Club's Season Opening Function, the official Final Day. A player may not commence their participation after the Wednesday falling three full weeks before the official Final Day.

Format

On each Wednesday play will be over twelve ends, or less if determined by the Event Manager, but at least over nine ends to be eligible for scores to be posted. A break in play occurs after six ends and a new draw occurs for groups to play the remaining ends. Players will compete in groups drawn from "names in a hat" by the Event Manager.

Start of play occurs only on days when there are six or more players participating. There must be at least two rinks occupied by players as follows:

Six players: 2 rinks X 3 players per group

Seven players: 1 rink X 3 and 1 X 4 players per group

Eight players: 2 rinks X 4 players per group

Nine players: 3 rinks X 3 players per group

Ten players: 2 rinks X 3 and 1 rink X 4 players per group

Etc.

Following the initial toss of a coin for the mat each group's play will be as follows:

Winner of previous end has the mat and one bowl.

Subsequent play is in player's name alphabetic order. Each play is one bowl.

Scoring

Playing Members are required to register with the Event Manager their intent to participate on the first Wednesday they are available to play.

After each end is completed scores are made by players who's bowls are nearest the jack as follows:

Shot bowl: 3 points

Second bowl: 2 points

Third bowl 1 point.

Any one player may achieve all six points or part thereof.

If a player commences on a Wednesday after the official First Day they will attract a score equal to the average of all average scores achieved by individual players on every previous Wednesday.

Each group must appoint a scorer. Score cards will be collated by the Event Manager and when reconciled will pass them to the recording member of the Club for posting to the Cup's aggregate score sheet. This score sheet will be posted to the Club's notice board each Tuesday.

Players who are intermittently absent from play will not have any score added to their total Cup aggregate score for that absence.

Weekly Prize

Each playing member participating, each week, is required to pay an entry fee. Fee amount fixed by the Club Treasurer. A weekly prize of a choice of either of two bottles of Club wine will be made to the week's winner. The remaining bottle will be awarded to the second place-getter for the week.

The Cup

The Cup will be awarded to the player with the highest aggregate score for the season. The award ceremony will occur at the Season Opening Function.
