### News Update - Cards and Dates

All AOBC Club members are being offered a membership card. This arises because the Adelaide Bowling Club has released one for its members. The benefits of having one of these in your wallet are:

- When you approach the clubhouse bar and present the card you will be entitled to a club discount on any beverages you purchase. Especially handy if there are two or more functions being held at similar times.
- The second benefit helps those members who might wish to visit another bowling club where it is likely you will be asked for your bowls credentials or an ID.

There is no charge for your card. It will be available for you to pick-up as you enter for Tuesday bowls. We recommend you hold one but it is no problem if you choose not to take it. Please let Steve Peake or Rob Corpe know. One of them will be available.

Just as important is this opportunity for you to have your diary at the ready. We would like you to record the following events:

- **BBQ and Bowling** - Thursday evening 22 February. Be there around 6.00pm. If you would like a **late entry** give me a call over the weekend.
- **Pennant Luncheon** - Pennant players be at Feathers Hotel 12 noon Friday 16 March.
- **Members End of Season Presentation Luncheon** - Members and partners - Kooyonga Golf Club 12noon 29 April.
- **Annual General Meeting of AOBC** - following bowls and with lunch - Tuesday 1 May 2018

Thanks, that's all
