10 December 2018

### President's News Update

#### It's Christmas!

It's been a bit of a rocky road these last few weeks for me. Luckily I am now up and about and can enjoy the festivity of Christmas and a few laughs each Tuesday morning. Many thanks to all the members who covered off for me whilst I was laid up.

We have had a good run with our club events this year. Well attended, well catered for and good fun. Our Wednesday pennant team has struggled but we are still very competitive in spirit and hopeful of better results in the new year.

#### Christmas Lunch - Members Only!

We finish 2018 with the Christmas Lunch in the clubhouse on Tuesday 18 December. Maybe come a little earlier, team up on arrival and play till the bell. The bar will be open and we can enjoy a pre-lunch beverage prior to being seated at 12 noon. There will be wine on the table and our Christmas fare will get underway shortly after. Fortunately Ellis Wayland has accepted my invitation to be guest speaker. **You get all this if you hand over \$40, all found, to the Treasurer Michael Snow (or make a transfer to the Club account below) and put your name on the board this week.**

#### The New Year

- We resume Tuesday bowls on 8 January and pennants get underway the next day, Wednesday 9 January.
- 2019 will be a year of change around the clubhouse. No doubt there will be inconveniences but the redevelopment project will transform our home base and generally make a big improvement to it's amenity that we will all enjoy.

- At the end of the calendar year the Adelaide Bowling Club will be staging the Champion of Champions Tournament. I am sure we will be invited to assist with the presentation of this world bowling event. This will give us the opportunity to witness International bowling at its best and at close range.

Helen and I wish you all a very merry Christmas and a healthy, safe and enjoyable 2019.

Good bowling
