

Drawing of the cards and allocating rinks – a reminder

Reference 1819/11

Drawing of the cards

Side Managers are reminded that they should get together 15 minutes before trial ends are due to start to draw the cards and the rinks. That means 12:45 on Saturday, 12:00 on Wednesdays and 9:30 on Thursdays. Once the rinks have been drawn, players should be notified and all practice must cease. Refer Rules 3.12.4 & 4.2.2

Role of the umpire

The sole role of the umpire of the day in this process is to ensure that the draw is carried out at the allocated time and that practice ceases once the draw for rinks has been completed. Refer Rule 4.1.2.
